

SHINING SOLUTIONS ENGINEERING SSES PRESENTATION

www.shining-solutions.com

✓ ABOUT SHINING SOULUTIONS SSES

Shining Solutions is a leading Engineering Service established in Egypt on 2023, based on more than 10 years international experience in steel structure field.

Our company is engaged in Design, Estimation & Detailing of steel structure and other kind of metal works all over the country.

We are specialized in design, manufacture, and execution of Pre-Engineered Buildings (PEB), Hot Rolled Steel Structures (HRSS), Architecturally Exposed Steel Structures (AESS), Architectural Metal Works. We provide Design, Estimation & Detailing under one roof.

✓ MISSION

To bring the industry a new standard of quality, technical support, work environment and safety at competitive price, while making our customer satisfaction our top priority.

✓ VALUES

COMMITMENT

Our commitment is to deliver best quality products and services in time.

INTEGRITY

We always strive to practice the highest standards of honesty, truthfulness, reliability, and fairness in every aspect of our work and in all our business relationships.

PEOPLE / TEAMWORK

We recognize the value of our people and continually strive to develop human resources.

We recruit knowledgeable and highly skilled professionals while providing opportunities in training and self-development.

SAFETY

We strive to promote excellence in health and safety to ensure a safe work environment for all employees, contractors, subcontractors, vendors and suppliers and the communities in which we work.

Our Vision

To be the most successful & respected Engineering services / metal manufacturing company in the region.
